### The 2024 SB Board Election Results!

The Nomination Deadline was extended to November 25th to comply with the 90 day call for nomination timeline per the statute (CA Civil Code section 5103). As of the published deadline for receiving nominations, we have only received 5 official nominations for the 6 open Board positions. Therefore, as the number of qualified candidates did not exceed the number of directors to be elected, as was determined by the Inspector of Elections, then per the statute (CA Civil Code section 5103) the qualified candidates shall be declared elected by acclamation. Therefore,

- Meera Desai
- Joni Landine
- Abhishek Chhibber
- Mehul Patel
- Koorosh Vakhshoori

have been elected for the 2025 Board via acclamation. We are still seeking a VP of Social to join the board. This can be done as a Committee to reduce the workload, but we are seeking one person to join the Board. Please let us know if you are interested in learning more. Our social events will not be able to happen if we are unable to fill this position.
